

Knock, knock...

I'll be knocking on doors in Hamilton
on August 30th to help some great local
candidates get elected to Parliament.

Please join me.

IT'S TIME FOR CHANGE. YOU CAN BE A PART OF IT.

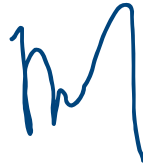

WE CAN WIN a new government on October 19.
A new government that puts health care, retirement security,
child care, good jobs and the economy first.

But, we need to help the right people get elected.

ON AUGUST 30, join me and other labour leaders as we
go door to door in Hamilton to support local candidates who
share our values and can deliver the change we need.

Meet at the **HAMILTON & DISTRICT LABOUR COUNCIL**
(1130 Barton Street East) **AT 9:30 A.M.** for some canvass
training so we can all take it to the streets and help win a new
government on election day.

In Solidarity
