DERRON VERNON

FOR PRESIDENT

- 8 years as President of CUPE Local 5167 from 2006-2014
- 26 years as a union activist in Local 5 and 5167
- I am the most experienced person running for President
- I have attended and participated in every membership meeting since June, 2015
- I am dedicated to preserving the benefits & rights that our previous brothers & sisters fought so hard to attain
- I am open to new ideas, thoughts and change, and encourage our members to become engaged and active
- Being accountable is very important to me. I believe that honest, open and accurate communication is pivotal in providing our members with the leadership they deserve.
- I will fight with Truth, Knowledge & Fervor! Under my leadership, dignity and respect for all is paramount.
- As I did in my previous years as the elected President, I will, as the *Chief Executive Officer* of the local, help to coordinate its activities at every level to protect the interests of all members in recognition of the principle that an injustice to one member is an injustice to all members.
