LEADERSHIP AND PRESENCE

COMMUNICATION AND ADVOCACY

Together with the Executive Board we will work cooperatively with dedication, knowledge and enthusiasm to address the needs of our members.

Continued communication with the membership about 5167 activities, campaigns affecting our members or their families and updates on what your local is doing for you.

Ongoing commitment to positive, transparent and progressive leadership, supporting the Executive Board and 5167 Members.

More community and member engagement opportunity to bring 5167 together in solidarity and highlight the great work our members do for the citizens of Hamilton.

Maintain our presence at community events, rallies, and in the workplace through council and workplace leaders.

Advocacy on unit specific issues, personal concerns as well as fighting for fairness and equity for all.
